

NAIA

National
Animal Interest
Alliance

Supporting the people who care for America's animals

Our members feed, clothe, heal, comfort, entertain, inform, and protect the world!

We are: Dog, cat and bird clubs
Breeders and trainers
Veterinarians
Rescue groups
Research scientists
Fishermen, hunters and farmers
Circuses, zoos and rodeos
Wildlife biologists
Thousands of pet owners

What we do: NAIA is an educational organization dedicated to promoting responsible animal ownership and use and to strengthening the human-animal bond.

We provide the public with factual information about animal issues, especially issues that are complex, misunderstood or controversial.

We help pet owners, scientists, farmers and others respond to regulatory or legislative challenges that impact their right to responsibly keep animals.

Join us in reforming the American animal welfare movement!
